PLEASE COMPLETE BOTH PAGES

Date: May 18 2018

Chapter Name: Cleveland Chapter Number: 023

Chapter Officer completing form: Martha Lambert - Vice Chair

(Print name and position title)

1. How and when was this complimentary registration offer communicated to the chapter membership?

In January, during our first Monthly Meeting, an announcement to members was made that we need their assistance with future growth and activity of our chapter. We stated we would award the Complimentary Chapter Registration to attend the GSX to the member that was our Major Chapter Contributor. This announcement was also posted on our website.

2. How and when did the chapter membership determine the most equitable method of selecting a winner?

In December during our board meeting, the officers discussed what was needed to generate more interest, attendance and participation from our members. We also were in a predicament of no venue to hold our meetings. We decided to track member participation and attendance and award the member with the most activity with the Complimentary Chapter GSX Registration. It was communicated at meetings as well as our website.

3. Reason for selecting the winning candidate?

Member, Kimberly Diemert, stepped up immediately in sourcing a venue for our meetings, which we have been able to use for all our meetings to date. She has been an ASIS advocate for the security profession as well as the community. She has attended every meeting and actively participates in meetings with questions for our guest speaker's and networks with other members.

4. How was the winner notified?

Since the member is responsible for additional expense to cover travel and housing costs, we thought we should first check with them to confirm they were interested in attending the GSX. If not, we would approach our second runner up. Martha Lambert, Vice Chair, called Kimberly Diemert on May 7th, and advised she was our Major Chapter Contributor Award Winner. Kimberly stated she was honored to receive the award and represent the Cleveland Chapter at GSX.

5. When was the registration awarded to the recipient?

May 18, 2018 during the Monthly Chapter Meeting an announcement and presentation of our letter of intent to submit our Major Chapter Contributor Award winner, Kimberly Diemert, to ASIS International for receipt of the Complimentary Registration to attend the GSX.

(This must be filled out completely in order for the recipient to be registered for the Seminar.)
