

Managing Tomorrow's Cyber Threats Today

A complimentary seminar presented by Thompson Hine's Privacy & Cybersecurity practice group

As reports of large-scale consumer data breaches and sophisticated foreign cyber attacks continue to emerge nearly every day, the importance of cybersecurity and data privacy for individuals, businesses and government entities cannot be overstated. Please join us for an in-depth conversation with multiple experts in the field, including:

Keynote Speaker **Brig. Gen. Gregory J. Touhill**, President of Cyxtera Federal Group and the former (and first-ever) Chief Information Security Officer for the United States, will explain the challenges and solutions related to addressing contemporary cybersecurity threats across a broad range of

industries.

Presenters:

- **David Hickton**, Founding Director, University of Pittsburgh Institute for Cyber Law, Policy, and Security
- **Steven G. Stransky**, Senior Counsel, Thompson Hine LLP

We will also have two panel discussions featuring experts in information privacy and cybersecurity:
